4 – H Clubs

While 4-H started as a way to promote progressive agricultural practices into rural America by developing the education and skills of country youth, it has evolved into a broad mission of education, leadership, and character development for urban and rural youth alike. There are dozens of activities and programs that local clubs may adopt; from agriculture to zoology and nearly everything in between. Supported by a local university, each county has one or more 4-H clubs. Amador County has 7 separate clubs, each with its own leadership and range of activities. The University of California (Davis) Cooperative Extension office for Amador County is located at 12200 B Airport Road in Jackson.

FAITH BASED ACTIVITIES

Local churches and houses of worship often offer youth programs and activities. Some have a specific youth ministry. If the church of your faith does not have an active youth program, you may choose to explore a non-denominational program such as AWANA.

AWANA was founded as a youth program at the North Side Gospel Center in Chicago, Illinois. The goal was to develop a program that would appeal to young people, reach them with a Christian message of salvation and grow them spiritually through biblical studies. Participants typically meet once a week throughout the school year. The focus of the curriculum is on the presentation of the gospel and learning Scripture to build a biblical foundation for young people's faith. Most programs include a group teaching time, individual one-on-one time with a leader to review the lessons learned that week and a time for games.

Local churches which offer the AWANA program include:

COMMUNITY INVOLVEMENT

The churches and businesses with which you have contact may have volunteer opportunities for youth. In addition, various groups and organizations offer people the opportunity to voluntarily participate in activities that are designed to improve their community and its residents. The tasks vary according to the mission of each individual organization, as do the expected time commitment for the volunteer. While some may not have a role for youth, if the organization is involved in an area that interests you there is no harm in inquiring.

Some of the organizations using volunteers include:

ACRA Phone: 209-223-6349 10877 Conductor Blvd., Sutter Creek

A joint powers authority designed to meet the recreation needs of all Amador County residents and visitors. We create, maintain and develop recreation facilities and programs throughout the county.
