III. Billing Guidelines

A. Terms and Conditions

1. The Court and the County reserve the right to review all bills for accuracy and accountability
2. The Court will carefully review all submissions and claims for ancillary services for indigent defendants and the Presiding Judge, or his/her designee, will grant or deny requests on a case by case basis. The Court will deny any expense not previously approved by the Presiding Judge or his/her designee for submissions of claims by indigent defendants.

3. Attorneys will bill for actual time only, rounded up to the nearest tenth of an hour (.10). Double or multiple billings will not be tolerated. *For example, if an attorney is called to court for an appointment to represent a client who has one new file and one probation violation file; the attorney will bill for the actual time to accept the appointment and review each file, and not one hour for each file, assuming the total time spent on review of both files was one hour.*
4. The Court expects attorneys will bill for attorney work only and use investigators for investigative work only. For example, investigator work includes, but is not limited to: arranging clothes/dress out for client for jury trial; coordinating witnesses' presence at hearings; serving subpoenas; interviewing witnesses, etc. The Court reserves the right to reduce the rate on attorney bills from the attorney rate to the investigator rate for investigator type work performed by the attorney.
5. Clerical/administrative work will not be billed to the County. For example, such work includes, but is not limited to: filing, copying, scheduling, opening/closing case in your own computer system, or transcribing.
6. Paralegal services must be performed under the direction and supervision of an active member of the State Bar of California consistent with the Business and Professions Code § 6450. et seq.
7. If an individual serves more than 10 papers a year they are required to be registered in the county they serve in. Registration is **statewide** and applicants must be a resident of the State of California for one year immediately **preceding filing**. Every applicant is required to post a bond or cash deposit pursuant to the State of California guidelines.
