

Please be advised the court is changing its juror summoning procedures.

Effective March 30, 2020

Jurors will be summoned for a week of standby service.

The summons will state the first day of the week of your service.

The call-in period is for one week and you will be required to appear when instructed by your call in notification.

If you are employed you must report to work until your group is instructed to report.

If you are required to report for service you should plan to be at the courthouse until 5:00 PM.

Please request to postpone your service if you cannot serve for at least 5 days, following the date listed on your summons.

Jurors may request a **one-time** continuance of service subject to the provisions of California Rule of Court Rule 2.1004.
